Bright Future

What We Do

Brightside Academy believes child care involves more than babysitting. Brightside Academy leads children to their learning potential with state-of-the-art facilities that enhance their experiences and prepare them for a lifetime of learning.

As a child's early education and child care provider, Brightside Academy provides a safe and supportive environment that promotes discover and growth to help each child achieve school readiness mainly in underserved communities in New York, Ohio and Pennsylvania.

Headquartered in Pittsburgh, PA, Brightside Academy employs over 1,200 people
